### **(Please read below. The permit is not considered issued until the signed and dated below by the applicant.)**

Periodic Inspections are required. We do not perform inspections that have been setup on the same day and all inspections are subject to the availability of the Code Officer. Failure to schedule appropriate inspections may result in an immediate Stop Work order being placed on the project as well as possible fines. Please be aware that there may be other requirements such as approvals and conditions from the Planning Board, Zoning Board, or other departments that may apply to this project. The issuance of this permit does not supersede those requirements.

On this date \_\_\_\_\_, I \_\_\_\_\_ have read and understand the above statement.
