

Land Management & Acquisition Committee

Agenda

June 9, 2014

Item 1: Hawkes Property

David Hawkes has offered to sell a 65-acre property consisting of several individual parcels located between Mast and Rockaway Roads to the town. The property was recently evaluated by four LMAC members (results attached). What next?

Item 2: Meet the Forester

Our new forester, Paul Larrivee from Sappi's Forest Management Team, will be introduced to the committee.

Item 3: Trailhead Signage

Bob and Lucky have created several draft signs that can be posted seasonally at trailheads for Committee review.

Item 4: Financial Plan

We'll review a draft financial plan for future open space funding.

Item 5: Dogs Redux

Portland, Cumberland & Yarmouth are all revising or revisiting their dogs in public places policies. Is it time we bring their issue forward for Council attention.

Item 6: New Trail

LMAC will be asked to approve construction of several new trails in No. Falmouth Community Forest.

Item 7: Updates

- Rogue mt. bike trail construction is back
- Town banquet
- Pending grants
