

Land Management & Acquisition Committee

AGENDA

Tuesday, September 12, 2017

Town Hall Conference Room, 8:30 a.m.

Item #1: Minutes

Adoption of the August 2017 meeting minutes.

Item #2: No. Falmouth Management Plan

The North Falmouth Community Forest management plan has been revised to reflect the addition of the McLean property, enough so that it should probably be re-approved by LMAC and perhaps the full Council.

Item #3: Blackstrap Development

Does LMAC endorse the establishment of a public trail across this development property that would connect with the Brookside Conservation Area?

Item #5: Jewel Properties

Small scenic properties have always been a priority in *The Greening of Falmouth*, but only a few have been acquired. We will review properties so recognized and discuss possible next steps.

Item #5: Updates

- Property acquisitions
- Grant applications
- Trail map
- GoF 2.0 planning
- Hadlock Connector Trail
- McDermott restoration work
