

PACPAC Minutes
Falmouth Parks and Community Programs Advisory Committee
April 21, 2015
4 pm Mason-Motz

Attending: Karen Jones, Lucky D'Ascanio, Dominic Sette-Ducati, Sally Bitan,

Minutes: March 2015 minutes reviewed. We did not have a quorum so they will be approved at the next meeting.

Parks Division Report:

- Parks crews are currently prepping for spring maintenance and switching equipment from winter ops.
- The Parks crew also assisted Open Space and the Conservation Commission with placing signs for temporary trail closures.

Project Updates:

- Mason-Motz construction continues to wind down – several contractors are finishing punch-list items such as replacing damaged ceiling tiles and finishing electrical work and balancing valves. The gym floor is currently being refinished.
- Maritime Construction will re-convene and put the finishing touches to the River Point Bridge Project soon. The approach from the Hannaford side will be paved and the opposite end will be finished with grass pavers and landscaping will be done at both sides.
- Casco Bay Hockey rink construction will begin again soon as well. Materials for the roof have been dropped off and we anticipate work to begin within the next week.

Community Programs:

- FP & CP Offices have been moved to Mason-Motz Activity Center and staff is very happy to be here. Program participants have all expressed their satisfaction and delight about our offices being here while activities are going on.
- Spring/Summer brochure is out and registrations are going very well.
- Open House set for Sunday May 3rd from 1:00-3:00pm. Offices will be open with activities, refreshments and music. PACPAC committee members are encouraged to be here to aid in tours and for support for staff.

Next meeting scheduled for May 19th and will be the annual parks tour. PLEASE NOTE: This meeting will begin at 3:30pm at Mason-Motz. Please notify Lucky if you are unable to attend that meeting.
