

REAC Meeting Minutes January 19th, 2016

by C Nichols

November and December minutes were approved

Kimberly displayed her spreadsheet showing raw total for CO2 equivalents, with breakdown by type of fuel and year for 2007 and 2014.

16.7547 % reduction

shows 2% reduction from each year

BTUs also show reduction of 5.478% due to increase in use of natural gas and reduced usage of oil

Home Energy Fair

Morning tasks:

Skills pick up flowers ready at 8 but can get at 9:00

Chris gets flowers

9 -10 Chris 10 -11 Pete L 11- 1 Andy 1:30 – 3:30 Cathy

Kimberly already put up the road signs

Andy explained how to do a press advisory to get the media to come to the energy fair. He will take care of that

Round Robin question: Where do you get your news?

Jeff Edelstien is making an event page that he wants us to share

Local food and door prizes: not too much this year. Kimberly will ask the food truck if they want to drive over

We have a budget for food this year

Should we buy lunch for the vendors? Yes from Cathy and Chris, group agreed it is a priority

Subway will be thanked and asked if they will donate sandwiches again

Coffee and munchkin donuts

Sandwiches, no bottled water

Coffee from Coffee by Design?

Kimberly will go to Subway, Coffee by Design and Dunkin

Door Prizes from vendors and Kimberly will ask for a few gift cards

Meeting adjourned early 7:15
