

**Falmouth Route 100/Gray Road Highway Reconstruction  
Detour Plan for Box Culvert Installation**

The box culvert installation will require a portion of Gray Road to be closed for one week 24 hours a day except for local traffic. Message boards will be located at each end of the proposed primary detour alerting vehicles of the road closure ahead advising them use Blackstrap Road. Detour signs will be placed along the primary (RED) and secondary (GREEN) detour routes directing vehicles through the proposed detour.

**Primary Detour  
Blackstrap Road**

**Alternative Detour #3  
Brook Rd to Leighton Rd**

**Alternative Detour #2  
Blackstrap Rd to Mountain Rd**

**Alternative Detour #1  
Interstate 95**

**Message Board  
detouring traffic  
down Blackstrap  
Road**
