This letter is to cordially invite you to attend a **Community Forum on Route 100 on Wednesday, November 12, 2014 from 6:00 to 7:30 PM in Town Hall Council Chambers, 271 Falmouth Road.**

The purpose of this meeting is hear what you like or dislike about the Route 100 area, what things you would like to see changed, and what advice you have for us.

The Ad Hoc Route 100 Committee, which I chair, was appointed by the Town Council in May 2014 with the charge of making recommendations for a vision for the Route 100 area from the Portland line to the Cumberland line. The last time the Town developed a plan for this area was in 1987.

Before the committee goes any further with its work, we want to hear from the community on what matters most and where to focus our attention. Target date for completion of the recommended vision is 2015.

Please help us by sharing this invitation with your neighbors and anyone who you think may have an interest in what changes our committee recommends to the town for the Route 100 area.

If you cannot come to the forum on November 12, we invite you to **complete a brief Route 100 survey** at <https://www.surveymonkey.com/s/Route100>. This survey will be available through November 14, 2014.

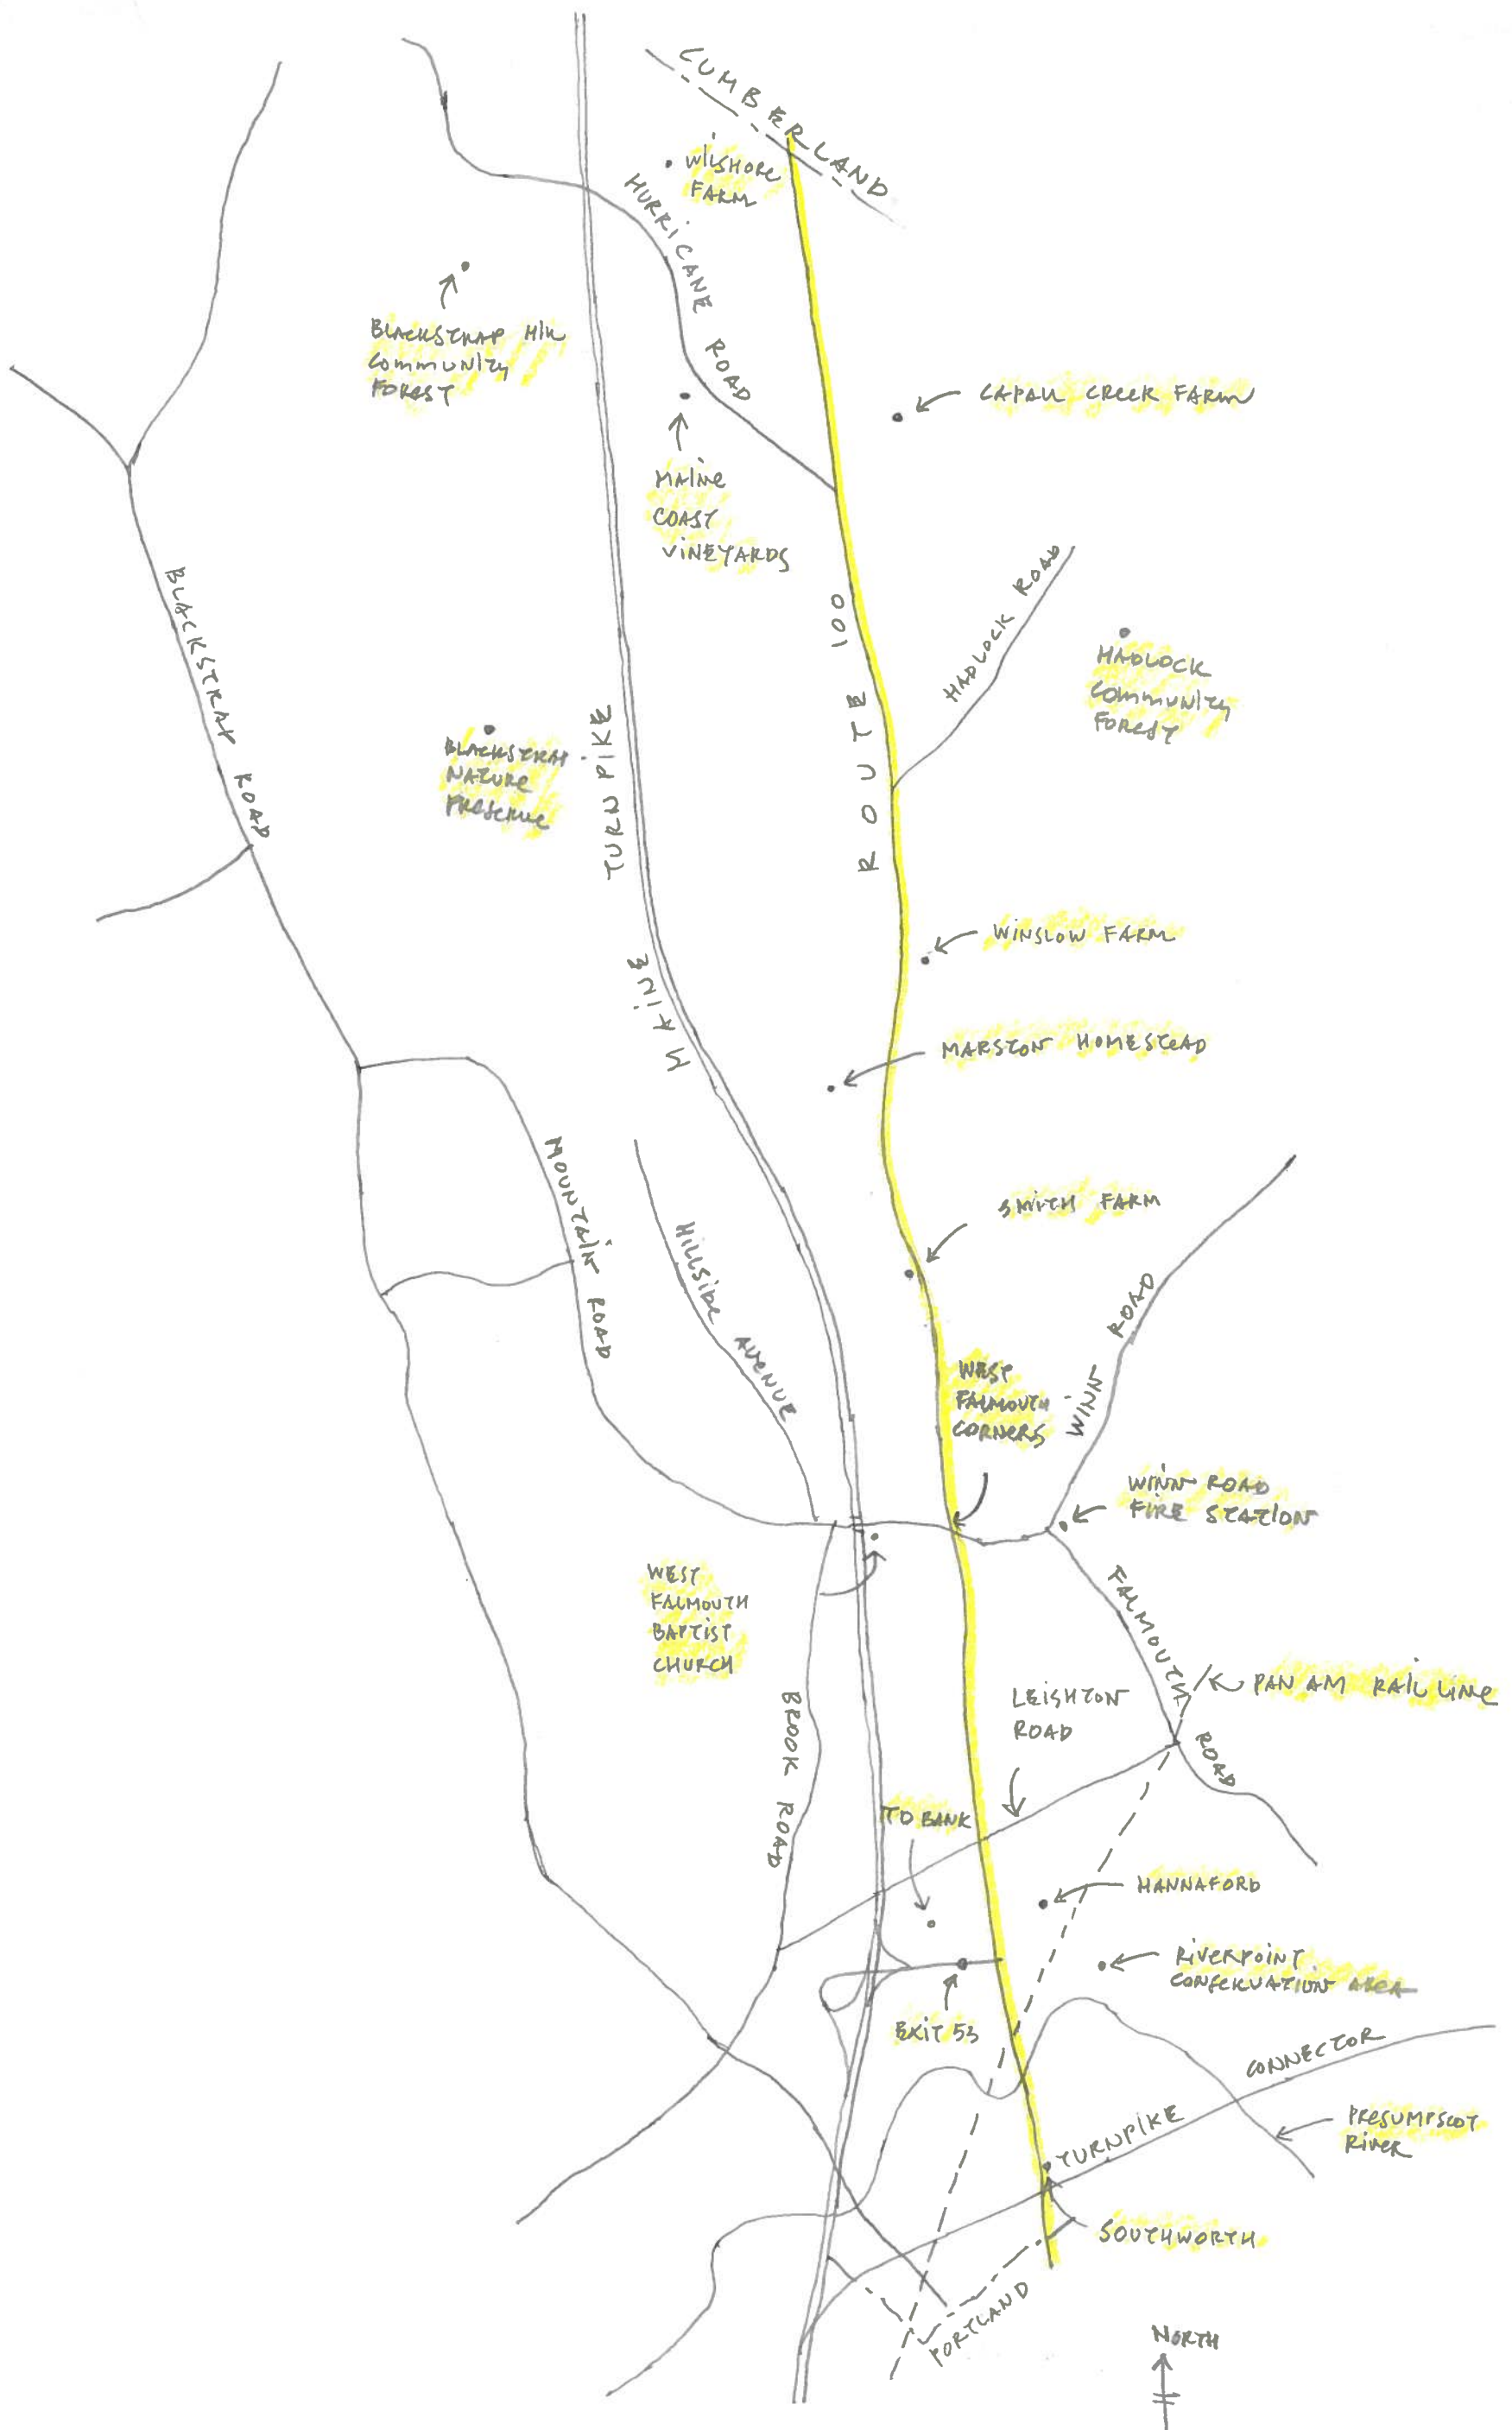

Please contact Theo Holtwijk, Director of Long-Range Planning at 699-5340 or tholtwijk@falmouthme.org if you would like more information on this project or would like to receive periodic project updates.

Thank you for your interest.

Sincerely,

Andrea
