### **Appointment Committee Members**

Chair Farber

Councilor Mahoney

Councilor Orestis

The Appointment Committee began the meeting at 6:00 PM in the downstairs Town Hall library. Councilor's Farber, Mahoney and Orestis were present at the meeting.

The following Falmouth citizens were informally interviewed for vacancies on various boards and committees. Each applicant was asked to tell them about themselves and what their vision for Falmouth was.

Andrea Ferrante – ROUTE 100  
Sarah Boudreau – ROUTE 100  
Pamela DiPietro Hale – FEIC  
Chuck Gerry - FEIC  
Joseph McDonnell – ROUTE 100  
Dimitri Balatsos – ROUTE 100-FEIC  
Joseph Cooper – ROUTE 100

After discussing the FEIC and the new ad-hoc Route 100 Committee, Chuck Gerry decided he was very interested in being a part of the ad-hoc Route 100 Committee.

Dimitri Balastos decided he would like to withdraw his interest in the ad-hoc Route 100 Committee and be considered for the Falmouth Economic Improvement Committee.

Chair Farber explained to all of the applicants the expected time frame for appointments. There are several applicants still to be interviewed and considered for Route 1. Currently only one opening on FEIC and three applicants. The goal is to have recommendations to the Council at the end of April or the beginning of May. The Route 100 Committee would not be meeting until after the new Councilors are elected and the Council Liaison is picked on June 18.

Chair Farber asked Ellen Planer to contact the chair of FEIC and ask them to get in touch with Pam DiPietro Hale and Dimitri Balastos.
