Chair

Councilor Mahoney

Councilor Orestis

The Appointment Committee meeting began at 8:00 AM in Town Hall Council Chambers. Councilor's Farber and Councilor Mahoney and were present at the meeting. Councilor Orestis was absent.

The Councilors reviewed the Harbor Waterfront Committee ordinance concerning the qualifications for membership.

The applicants for the Route 100 Committee including the 5 members from other existing Town committees were discussed.

After a lengthy discussion the Appointment Committee agreed on the following people to recommend to the Town Council at the next available meeting:

Sarah Boudreau
Joseph Cooper
Andrea Ferrante
Chuck Gerry
Rebecca Grover
David Libby
Lori Legere
Steve Melchiskey
Joseph McDonnell

The Committee discussed the applicants to FEIC and it was another tough decision, there were more candidates than vacancies. The Committee decided to recommend Dimitri Balastos, with hopes the other two candidates would be interested in working on the economic development plan if the Council decided to amend the charge.

The current Appointment Committee does not anticipate meeting before the new Appointment Committee is selected on June 18, 2014.

Adjourn.

Respectfully Submitted,
Ellen Planer
