Councilor Asherman

Councilor Ferrante

Councilor Kuhn

Councilors Ferrante, Asherman, Kuhn were in attendance.

Councilor Kuhn offered a list of questions to discuss by the committee:

How is Falmouth doing overall with wellness? What comes to mind?  
What problems or gaps do you see in the community?  
What do you think we're doing well?  
What resources should people know about?  
Who else should we talk to?

The Councilors discussed many aspects of wellness and the promotion of wellness in Falmouth. Including creating a Falmouth directory - resource guide to provide awareness of what is available locally for health and wellness.

Councilor Kuhn created a list of citizens who may be interested in engaging in future wellness discussions.

Mary Beth Bachman, Robin Haley and Sarah Maloney will be rescheduled for a later date.

The next meeting was not scheduled at this time.
