#### **(Please read below. This permit is not considered issued until signed and dated by the applicant.)**

Periodic Inspections are required and are subject to the availability of the Code Officer. When scheduling an inspection, contact the Code Office at least 24 hrs. in advance. Please note, Town of Falmouth Offices are closed on Fridays; no inspections will be scheduled. Failure to schedule appropriate inspections, or working without an approved permit, may result in an immediate Stop Work order being placed on the project as well as possible fines. Please be aware that there may be other requirements such as approvals and conditions from the Planning Board, Zoning Board, or other departments that may apply to this project. The issuance of this permit does not supersede those requirements.

On this date \_\_\_\_\_, I \_\_\_\_\_ have read and understand the above statement.
