Project: Construction _____ Tree cutting/pruning _____ Bank stabilization _____ Septic system _____ Other _____

Description _____

The following items are required upon submittal (Application will not be accepted if all applicable items are not present)

- _____ Plot plan showing the location of the work, setback from High Annual Tide (HAT) line, erosion control method and location, etc.
- _____ Calculations: Expansions of structures, tree cutting, alterations to vegetation, etc.
- _____ Permits required from other agencies such as Department of Environmental Protection, Army Corp of Engineers, etc.

(Please review attached documents for additional Shoreland Zone regulations)

(Please read below. The permit is not considered issued until the signed and dated below by the applicant.)

Periodic Inspections are required. We do not perform inspections that have been setup on the same day and all inspections are subject to the availability of the Code Officer. Failure to schedule appropriate inspections may result in an immediate Stop Work order being placed on the project as well as possible fines. Please be aware that there may be other requirements such as approvals and conditions from the Planning Board, Zoning Board, or other departments that may apply to this project. The issuance of this permit does not supersede those requirements.

On this date _____, I _____ have read and understand the above statement.

Permit Conditions:

Signature of Code Enforcement Officer _____ Date _____
