

VIRTUAL EVENT FOR FALMOUTH BUSINESSES

Falmouth Business & COVID-19

Zoom Webinar: Thursday, May 7, 2020, 2:00-3:00 PM

Like many others, Falmouth businesses have been significantly impacted by COVID-19. Through this Zoom webinar session, Falmouth businesses will get a sense from those in the trenches how their fellow businesses are doing, get a plain language overview of the COVID-19 business assistance programs, hear what issues others have encountered in making applications, and learn how businesses may wish to handle the staged re-opening that Governor Mills has rolled out.

- How are businesses coping?
- What assistance is out there for them?
- What typical application issues are businesses encountering?
- How can businesses best respond and be prepared in this crisis?
- How does a business figure out from the myriad of websites and links what the most helpful and practical information is?
- How is the staged business reopening expected to work out?

Moderated by Theo Holtwijk, Director of Long Range Planning and Economic Development, Town of Falmouth

Speakers include:

- Tracy Hayes, Owner, Mr. Handyman of Greater Portland and President, Falmouth-Cumberland Community Chamber
- Joe Marro, Director of Advocacy, Portland Regional Chamber of Commerce
