### Customer information for your delivery service

Delivery rates are as approved by the Maine Public Utilities Commission. For bills that cover both electricity supply and CMP delivery, CMP forwards energy-supply payments to the appropriate energy provider. For a schedule of CMP delivery rates, call 1-800-565-3181, or visit [www.cmpco.com](http://www.cmpco.com) on the Internet. Our TTY number for the deaf is: 1-800-445-5631.

#### CMP's delivery role under Maine law

The State of Maine changed the electricity-utility business as of March 1, 2000. The law now separates electric supply from its delivery. You may choose a competitive energy provider, or automatically take energy from the Standard Offer provider. CMP no longer generates electricity. We operate the system that delivers your electricity, and we service your account.

#### Questions?

To ask a question or dispute a bill, you can call 1-800-565-3181 or e-mail [customer.service@cmpco.com](mailto:customer.service@cmpco.com), or write to CMP Customer Service, 83 Edison Drive, Augusta, ME 04336.

#### Planning a move?

Please let us know. You are responsible for any usage at your billing location until you tell us the account should be closed.

#### Payment arrangements

If you have trouble paying your bill, a payment plan may help. Call 1-800-565-3181 for more information.

#### Late-payment charge

Bills are due on receipt. A late charge of 0.892% will be applied each month to balances unpaid after 25 days from bill postmark.

#### To report an outage

Call 1-800-696-1000. If call volume is heavy, an automated system will log your call and generate a repair order.

#### Sales-tax exemption

Maine sales tax does not apply to the first 750 kilowatt-hours (KWH) of residential usage.

#### What's a kilowatt-hour?

Electric power is measured in watts. 1000 watts of power used for 1 hour is a kilowatt-hour (KWH) of energy. Example: a 100 watt bulb lit for 10 hours uses 1 KWH of energy.

#### Estimated Bills

When we cannot read your meter, we will estimate your usage for the month. You have the right to read your own meter. Call us at 1-800-565-3181 or visit [www.cmpco.com](http://www.cmpco.com) for more information.
