

**REAC Minutes, May 19<sup>th</sup>, 2016**  
**Town Hall, Large Conference Room**  
**6:30-8:00pm**

- The group discussed how not passing LD 1649 effects our landfill project; will not allow an expansion of system size and metering expansion without new legislation
- 2017 Home and Business Energy Fairs—The Home Energy fair is scheduled for January, and a Business Energy Fair is also in the works.
- Kimberly met with leadership from the School department regarding Energy/Sustainability Planning. Another meeting will be scheduled soon.
- Kimberly reported out some highlights from Solid Waste and Recycling Conference (May 3-4)

Other Items discussed at the meeting include:

- Set dates for litter cleanups/events
- REAC Letter of endorsement for Bike/Pedestrian Plan
- Election tabling Tuesday, June 14<sup>th</sup>
