

# REAC Minutes

October 11, 2018 5:30pm  
Large Conference Room, Town Hall

- **Past minutes approval**

Minutes from June and September were reviewed and approved unanimously

- **Updates:**

- **Streetlights**

Kimberly reported out on the status of the streetlight project

- **Food waste drop off DEP grant**—roll out April 2019. Falmouth was awarded a \$7,500 grant to expand our food waste drop off program

Maine Compost week is in May—is this a better time to roll out the program than April?

- **Interior Lighting Phase II RFP**—sent out Oct. 2, bids due Oct. 24

- **WindowDressers Community Build sign up!**

- November 10
  - November 11
  - November 12

Kimberly is going to email the committee and remind them when the dates get closer.

- **Energy and Sustainability Plan Council Presentation Update**, to the Council Oct 22—Presentation to REAC by Pete LaFond

- **Solar discussion**

Kimberly is going to send Pete and Dave the preliminary work that has been done on solar to date, along with the Town's electricity consumption data.
