

**2018 Refusal Form – Please Return by April 26, 2018**

**Town of Falmouth Insecticide Spraying Program**

Please FAX to 781-3640, e-mail mtryon@falmouthme.org  
Or mail to Falmouth Town Hall, 271 Falmouth Road, Falmouth ME 04105 Attn: Melissa

I have received notice that the Town of Falmouth will conduct an insecticide spraying program during the month of May 2018 to control an infestation of Browntail Moth caterpillars. The Town’s insecticide applicator, Whitney Tree Services, will spray **CONSERVE SC ®** from a truck mounted sprayer onto trees located in the public right of way. I am aware that the Material Safety Data Sheet for the insecticide is available for my review on the Town’s website or can be mailed to me upon request. I have been provided with contact names for the Town of Falmouth and its insecticide applicator; the Northern New England Poison Control Center; the Maine Pesticides Control Board; a description and sketch of the target areas and dates of application; and an explanation of the intended purpose of the program.

I understand that I may refuse to have the chemical, **CONSERVE SC ®** aka Spinosyn sprayed along my property by returning this form to the **Falmouth Town Office, 271 Falmouth Road, Falmouth, ME 04105 NO LATER THAN APRIL 26, 2018.**
