### IMPORTANT:
This subsurface wastewater disposal system component permit application is intended for a single replacement tank only. Applications for all other disposal system configurations and components must be completed on the standard HHE-200. This permit application should not be used in conjunction with a standard HHE-200. If a replacement tank is required as part of a larger disposal system design, it must be incorporated in a design detailed on a standard HHE-200.

For assistance, please contact the Subsurface Wastewater program: phone (207) 287-2070, email subsurface.wastewater@maine.gov.
