The Commission strives to protect the natural resources of Falmouth and improve the Town's ecological integrity and wildlife diversity. It increases public awareness of the intrinsic value of the Town's natural resources and works to study and conserve them.

The Conservation Commission welcomes input from the public - at its meetings or via e-mail - to Ashley Krulik, Energy & Sustainability Coordinator akrulik@falmouthme.org or (207) 699-5337. Note: All e-mail communications are public information. Thank you for your interest.
