

Highland Lake Leadership Team Meeting

October 11, 2018—2:00pm

Falmouth Town Hall, 271 Falmouth Rd

Agenda Item:

Discussion amongst committee on use of Stormwater Phosphorus Compensation Fund (SCF) and other Windham funds to be used to mitigate a high priority site determined in the May Watershed Survey, the hill on Highland Shore Rd., or save these monies to be used later at another significant site.

This meeting will hold a committee vote.
