

A Vision for Blackstrap Road

Public Forum

Thursday, April 5, 7:00 PM

Falmouth Town Hall

Dear Resident,

The Town of Falmouth would like your help in creating a vision for improvements to Blackstrap Road. Join us for a public forum where we will discuss the road's existing conditions and maintenance history, and hear your thoughts on the future. Come share your ideas and concerns, and be part of a process that will help us plan the future of Blackstrap Road.

We hope to see you there!
