The purpose of this meeting is hear what you like or dislike about the Route 1 North area, what things you would like to see changed, and what advice you have for us.

The Route 1 North Committee was appointed by the Town Council with the charge of making recommendations for a vision for the Route 1 North area from the Falmouth Turnpike Spur to the Cumberland line (see map on rear).

Before the committee goes any further with its work, we want to hear from the community on what matters most and where to focus our attention. Target date for completion of the recommended vision is spring 2017.

This letter is being sent to the property owners, businesses abutting Route 1 North, and abutting property owners. Please help us by sharing this invitation with your neighbors, tenants and anyone who you think may have an interest in what changes our committee recommends to the town for the Route 1 North area. Even if you do not live in Falmouth, but work on Route 1 North, we want to hear from you!

If you cannot come to the January 25 Forum, we invite you to **complete a brief Route 1 North survey** at [www.surveymonkey.com/r/falmouthroute1north](http://www.surveymonkey.com/r/falmouthroute1north). This survey will be available **through January 31, 2017**.

Thank you for your interest.

Sincerely,
