

## TOWN OF FALMOUTH RESOLUTION

### Falmouth Memorial Library Expansion Project

- Whereas,** in an update to the Town Council on July 23, 2018, the Falmouth Memorial Library Board of Trustees reported that the construction estimates they received in May for their building expansion exceeded the original budget by over \$2 million; and
- Whereas,** the Board engaged with architects and engineers to evaluate all elements of the proposed expansion and identify ways to reduce costs; and
- Whereas,** concurrent with an effort to raise additional funds for the project, the Board and their consultants made \$1 million worth of reductions to the building plans; and
- Whereas,** at their January 8, 2019 meeting, the Town's Planning Board reviewed and approved a revised site plan incorporating those changes; and
- Whereas,** according to the Memorandum of Understanding between the Town and Falmouth Memorial Library, changes to the site plan requiring approval from the Planning Board require consent from the Town Council.

**NOW, THEREFORE BE IT RESOLVED BY THE FALMOUTH TOWN COUNCIL ASSEMBLED THIS 11th DAY OF FEBRUARY 2019, THAT:**

The Council hereby grants its consent and approval of the amended site plan for Falmouth Memorial Library, as approved by the Falmouth Planning Board on January 8, 2019.
