Re: Town of Falmouth – Ocean View / Natural Gas TIF

Dear Commissioner Gervais:

The Town of Falmouth is in the process of finalizing designation of certain Municipal Development and Ocean View / Natural Gas Tax Increment Financing District and adoption of a related Development Program. The Falmouth Town Council is expected to hold a public hearing on the proposed TIF on March 9, 2015. The Town Council will then consider designation of the TIF District and adoption of the Development Program at the same March 9, 2015 Town Council meeting. We anticipate filing the application as soon as possible thereafter. Thus, I am requesting an extension of the DECD policy requesting that TIF applications be submitted by March 1.

Thank you very much for your consideration of this request. Please do not hesitate to contact me if you have any questions

Very truly yours,

---

Nathan Poore  
Falmouth Town Manager
