

Representative Experience

Audra L. Klumb is the co-founder and President of A&D Klumb Environmental, LLC (2003). A&D Klumb Environmental, LLC (ADKE) is an environmental consulting company specializing in environmental reviews and permitting for wetlands, septic, NEPA and Phase I Environmental Site Assessments. ADKE holds a National Women's Business Enterprise Certification with the Women's Business Enterprise National Council. Ms. Klumb's management within ADKE encompasses all aspects of the company from field work, to report writing, employee and consultant management, and company finances. Ms. Klumb volunteers for local Boards and committees including the Merrimack County Conservation District Board of Supervisors and the Concord Conservation Commission Trail Subcommittee. In addition to work at ADKE, Ms. Klumb is a Teaching Lecturer at Plymouth State University in the Historic Preservation Master's Program, teaching *Sustainability and Historic Preservation*.
