Hello clerks office of Town of Falmouth,

My name is Gregin Doxsee, I am one of the owners of Bueno Loco Restaurante (240 US Route one, Falmouth). Attached is the application for our Special Amusement Permit for our restaurant.

As new owners, we have never applied for this permit before, and I wanted to include a note with our application. We are looking to be approved for a permit that would enable us to have occasional live entertainment at our restaurant. This would either take place on the patio or inside our 4100 sf interior. We are exploring the idea of local musicians to play on a weekend/weekday night. We are also considering doing a Trivia night, so I am thinking that this application would cover that as well as it may be considered 'entertainment'.

We have observed other restaurants who have live music at their establishments and appreciate that it helps sustain business during these economically challenging times. We like that we have seen it done safely, respectfully and mindfully and find good role models in our neighboring communities.

We do not currently have anything planned or scheduled but would like to be able to consider doing so in the future, thus this application.

Thank you. Please feel free to reach out if you have any questions.

Respectfully,

Gregin and Jeremy Doxsee

Hi Ellen,

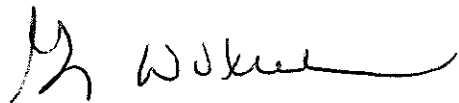

I am returning the updated special amusement application, as it seems the first one I was given was not current. With my previous application, I had included a letter which I would like to have remain with this application, thank you.

I am finding it challenging to give you specific answers to the question that asks for specific days and times that entertainment would be provided. We have no solid plan for this, as we only able to envision an occasional event that would include live music at this time. We are thinking an acoustic guitar player on a Thursday evening, or during having music for special occasions (such as cinco de mayo). We are sensitive to our neighbors (a bank and pet store) and would look to have any music happen during hours when they are closed for business.

I would like us to be on the agenda for the October 14th if at all possible. Please let me know if there is something we can do to help that process.

Thanks for your good communications, it's much appreciated.

Looking forward to hearing from you,
