Dear Ellen:

We are pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to the Zoning and Site Plan Review Ordinance. The purpose of these amendments is to provide accommodation for the establishment of a covered rink, locker rooms and restrooms at Village Park to be constructed by Casco Bay Hockey Association through the creation of a special district.

We hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

Russ Anderson
