Re: Endorsement of PACTS 2019 Collector Road Paving Project

The regional transportation agency, PACTS, distributes funding support for eligible transportation projects in the Greater Portland area on a multi-year basis.

In order to be eligible for PACTS funding, which includes Federal and State money, collector roads that are candidates for paving through PACTS requires Council Endorsement from each municipality. One paving project in Falmouth has been identified as a paving candidate through a region-wide collector road ranking performed by PACTS. The road segment is as follows:

- Middle Road: Between Lunt Road and the Presumpscot River Bridge
(map reference: "Middle Rd_2")

Funding for PACTS collector road projects are as follows:

Federal Match: 65%, State Match: 10%, and Local Match: 25%

Attached are:

1. PACTS ranking sheet,
2. PACTS Road segment map,
3. A draft order endorsing the above-stated PACTS collector road paving projects.
