## Memorandum

**Date:** August 20, 2014  
**To:** Falmouth Town Council  
**From:** Jay Reynolds, Public Works Director   
**Cc:** Nathan A. Poore, Town Manager  
**Re:** Endorsement of PACTS Collector Road Paving Projects

---

The regional transportation agency, PACTS, distributes funding support for eligible transportation projects in the Greater Portland area on a multi-year basis.

In order to be eligible for PACTS funding, which includes Federal and State money, collector roads that are candidates for paving through PACTS requires Council Endorsement from each municipality. Three paving projects in Falmouth have been identified as candidates through a region-wide pavement condition analysis performed by PACTS. They are as follows:

1. US Route 1: From the Martin's Point Bridge to Route 88 (map reference: "US 1\_1"),
2. US Route 1: Through the Route 88 Islands (map reference: "US 1\_2"), and
3. US Route 1: From Bucknam Road to the Cumberland Town Line (map reference: "US 1\_4").

Funding for PACTS collector road projects are as follows:

Federal Match: 65%, State Match: 10%, and Local Match: 25%

Attached are:

1. PACTS ranking sheet,
2. PACTS Road segment map,
3. A draft order endorsing the above-stated PACTS collector road paving projects.
