Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213.1 of the Town Charter, an emergency ordinance to re-enact Emergency Ordinance No.128-2020 to temporarily suspend certain provisions of the Falmouth Code of Ordinances relating to outdoor eating areas and outdoor retail display to assist businesses suffering economic loss due to covid-19 in a manner consistent with the governor's re-opening plan.

Sincerely yours,
