Dear Ellen:

We are pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to Chapter II-19, Zoning and Site Plan Review Ordinance. This amendment categorizes the library as a municipal use for purposes of zoning use determination and will facilitate the temporary use of the Town Hall for library services during the construction of the new library.

The amendment language is attached to this letter.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

*Claudia King*
