Dear Ellen:

We are pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to various sections of the Code of Ordinances. The purpose of this amendment is to assure that our provisions for permanent signs in all areas of the Code of Ordinances are compliant with the findings of the US Supreme Court in Reed v. Gilbert.

The amendment language is attached to this letter.

We hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter and state statute.
