

Dear Affordable Housing Developer,

This message is to let you know that in July 2018 the Falmouth Town Council expects to issue a Request for Proposals for Developers to construct an affordable housing development on a Town-owned parcel of land off Woods Road in Falmouth.

The forthcoming RFP will include all submission requirements and schedule. The parcel of land under consideration (R01-001) is located behind the Falmouth Public Safety Facility and measures approximately 20 acres.

At this time the Town is interested to learn if you or your company has preliminary, non-binding interest to prepare a proposal for this project. Knowing your level of interest will help the Council decide how best to proceed in July.

I am requesting that you please send me a brief response to let me know of your potential interest by June 30, 2018.

Thank you for your help. It is greatly appreciated.
