Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, amendments to Ch. II-12 and II-19 of the Code of Ordinances. The purpose of these amendments is to provide residents relief from excessive or continuous construction noise through a new section, 12-4 regulating construction noise and to remove outdated references in the section of the ordinance addressing erosion and sedimentation control.

Sincerely yours,

Hope Cahan
