

**Farm and Animal Husbandry Related Uses**  
**Current in Black, Proposed in Green, Modified in Blue**

<u>Districts</u>	<u>Residential Uses</u>	<u>Non-residential uses</u>
RA, RB, RD, HL	accessory use - gardening accessory structure - greenhouse home occupation - indoor only keeping of animals for personal use	Farming Accessory Farm Use
RC	accessory use - gardening accessory structure - greenhouse keeping of animals for personal use	Farming Accessory Farm Use
FF	accessory use - gardening accessory structure - greenhouse keeping of animals for personal use home occupation - indoor only	Farming Animal Husbandry Accessory Farm Use Accessory Animal Husbandry Use

**NOTES:**

**Green houses**, as residential accessory structures are limited to personal use or with a home occupation and are limited in size by the district's dimensional requirements.

**Keeping of animals for personal use** is limited in residential districts depending on the district and the animal. For example, to keep horses or cattle, you must have a minimum size lot and then 10,000 square feet for each additional animal.

**Farming** - proposal is to modify in R Districts to allow commercial greenhouses.

**Greenhouse:** A building or structure whose roof and sides are made largely of a transparent or translucent material and in which the temperature and humidity may be regulated for the cultivation of plants year-round and includes high tunnels and hoopouses. [Adopted 12/09/13]
