Re: Farmers Market License Application Recommendation

The Cumberland & Falmouth Farmers Market Association has submitted application materials for consideration of a license to establish a summer and winter market. Allen, Sterling and Lothrop on Route One will continue to be the location for the proposed winter market. The proposed summer market location is 22 Hat Trick Drive.

Application materials were circulated to the reviewing departments as outlined in Art II-8-14 Farmer's Markets. The required 5 day waiting period as outlined in this section was complete as of April 26. No concerns or objections were raised.

A public hearing by the Town Council is required per section 213 Public Hearing on Ordinances of the Town Charter. The staff recommendation is for an approval of the application.

Thank you.
