Re: Request for a change to the *Falmouth Harbor Fee Schedule*

The Harbor/Waterfront Committee is requesting the Town Council to make the following change to the *Falmouth Harbor Fee Schedule*.

Requested change in the Falmouth Harbor Fee Schedule (For the 2017 season):

Within the *Falmouth Harbor Fee Schedule* the Harbor/Waterfront Committee is requesting the following change to the resident and non-resident mooring fee schedule for the 2017 season:

Resident mooring fee from \$57 to \$60
Non resident mooring fee from \$257 to \$260

This request is made for two reasons: (1) the On-Line fee to the Town is going up by \$1 and (2) to round off the dollar amount to the even numbers of \$60 and \$260.
