Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed Amendments to Div. II-2-3-12. *Economic Improvement Committee* of the Code of Ordinances.

The Economic Improvement recommends that the Council expand the membership of the committee from seven to nine members to allow more residents to participate in this committee. The amendment language is attached to this letter.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,
Andrea Ferrante
