Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, amendments to the Code of Ordinance, Section 18-131 *Connection Charges* and Section 18-233 *Exemption from connection charges*. The purpose of these amendments is to provide a fair and proportional fee system across the scale of user classes, eliminate potentially disproportionate fees derived from lot size or street frontage, and uncertainty regarding connection exemptions.

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

Amy Kuhn
