The Holder may refuse to accept and apply to the principal balance owed hereunder any payment which it reasonably believes to be derived from funding provided by the Holder, provided that nothing in this Note is intended to preclude the Maker from paying any amounts owed under this Note through funds made available to the Maker as a result of a public referendum vote on the renovation and/or expansion of the Maker's facility

The failure by the holder of this Note to collect any such late charge or to impose a default rate of interest on one occasion shall not be deemed a waiver by the holder of this Note of its right to collect late charges or to collect such charges in any other instance involving a late payment hereunder, or to impose a default rate of interest in any other instance.

Payments by Maker shall be made to the Holder at the address listed above, or such other address as the Holder or other holder hereof shall notify the Maker in writing, in United States
