

Town of Falmouth
List of current and upcoming bicycle and pedestrian improvement projects
January 24, 2020

1. Gray Road, Leighton Road, Falmouth Road - bicycle lanes and sidewalks
2. Blackstrap Road – State Sections
3. Bucknam Road – I-295 NB traffic light, I-295 bridge
4. Johnson Road – I-295 bridge
5. Route 1 north-Johnson Road – cross walks, sidewalks, multi-use path
6. Metro bus stop improvements
7. Rt 88 intersections - Johnson Road, Depot Road

In addition, other strategies will be implemented when opportunities present themselves, such as:

- Lane width reductions
- Bicycle signage/stripping
- coordinate maintenance with MaineDOT
- Secure rights to trail segments
- Link trails across roads with crosswalks
- Community Park-School Campus Connection
