At its March 3, 2020 meeting the Planning Board, acting as the Town's designated Municipal Reviewing Authority, held a noticed public hearing on proposed amendments to the Zoning and Site Plan Review Ordinance relative to kennels. The proposal is to amend the ordinance definition of "kennel" and expand the number of zoning districts in which kennels are allowed as a conditional use

No one was present to speak during the public hearing.

At the conclusion of public input and board deliberation the Planning Board voted to recommend as proposed 5-0.
