DAVID GOLDBERG
VICE CHAIR

Dear Ellen:

RUSS ANDERSON

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to Section 9.10c of the Zoning and Site Plan Review Ordinance. The purpose of these amendments is to correct an unintended consequence of the May 2013 Village Center amendments. This concerns the ability to park within a certain distance of the front setback in the RA and BP Districts for commercial uses.

CALEB HEMPHILL

The amendment language is attached to this letter.

CLAUDIA KING

I hereby ask that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,

David Goldberg
