The Anywhere Chair

Some chairs extend the perfect welcome for waiting rooms and reception areas. Others play well in corporate training rooms or presentation spaces. Still others fill in as guest chairs in private offices. Then there's Pagoda.

The HON Company's versatile, coordinated line of comfortable Pagoda stacking chairs and stools works beautifully in all these situations: in public areas or private offices; in business settings, healthcare environments, or the hospitality industry. Pagoda can refresh the look of an existing space or serve as a unifying element in a new or expanding enterprise.

AESTHETIC FLEXIBILITY

Choose from hundreds of textiles to find just the right look for your organization. Going for more practical comfort? Consider a fully upholstered back. Looking for something a little more upscale? Specify a contoured veneer back—available in seven finishes. HON offers Pagoda stacking chairs and stools with either Black or Titanium frames.

THE OPTIONS STACK UP
Stacking chairs come outfitted with a choice of casters or glides, and stack up to five-high with or without arms.

SIT UP AND TAKE NOTICE

Stools are a key component of Pagoda's versatility. Line them up at counters or pair them with high tables in cafés or collaborative work areas for a handsome, sturdy, and practical seating solution that enhances both the look and functionality of practically any space.
