Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, amendments to Ch. II-9-2 of the Code of Ordinances. The purpose of these amendments is to regulate shellfish harvesting on Town flats through licensing; limiting the number of shellfish harvesters; restricting time and area where digging is permitted; limiting the minimum size of shellfish taken; and limiting the number of shellfish taken daily by a harvester.

Sincerely yours,

Jay Trickett
