

260 Foreside Road

Survey Results
February, 13, 2017

Project Background

- Council discussed site in 2009-10
 - leave property as-is, revisit in future
- May 2016: Ad Hoc Council Subcommittee
 - recommend public input process on what to do
- October 2016: Home Owner and Boat Owner Surveys
 - 33 + 142 responses
- November 2016: Town Landing Parking Evaluation by GPI
 - Reviewed by ad hoc committee

Interim Committee Report, Nov. 2016

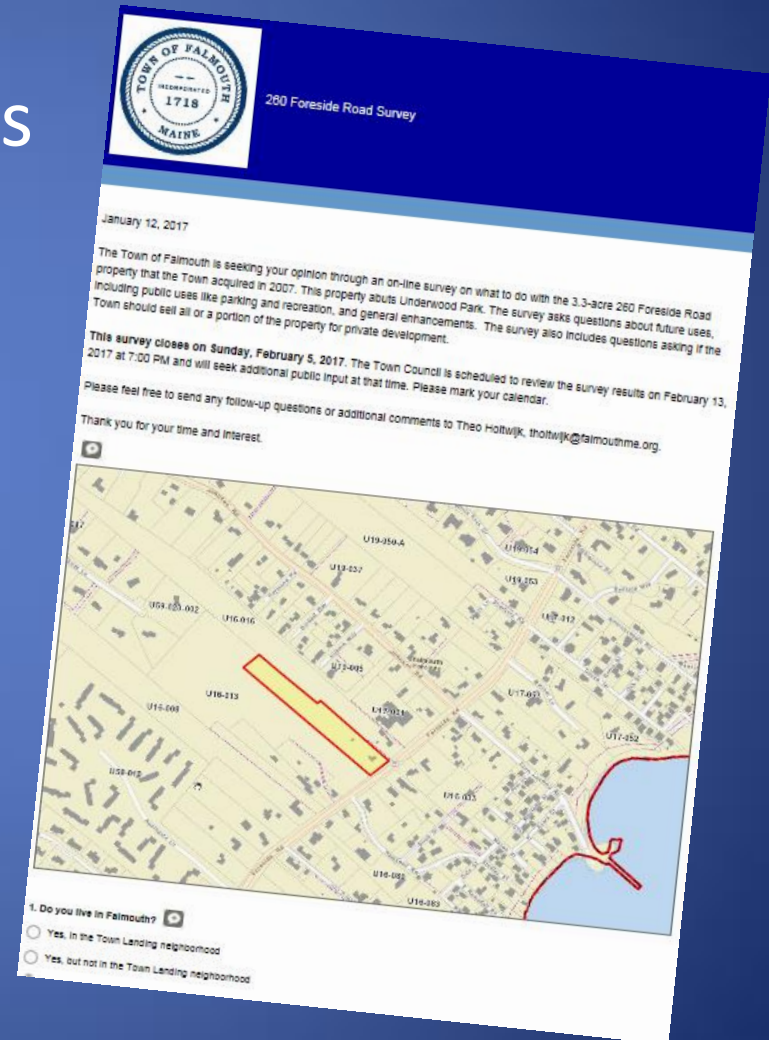

- 260 Foreside Road = good open space addition to the abutting Underwood Park
 - keep in its entirety in public ownership
- Sufficient supply of parking in Town Landing neighborhood area
- Enhance public parking supply only in a modest, seasonal-only manner with a minimum of visual impact

Interim Committee Report, Nov. 2016

- Minor landscaping, parking, and play equipment improvements can be made to the 260 Foreside Road property and Underwood Park.
- Recommended Public Input/Decision Process
- Next step: On-Line Survey

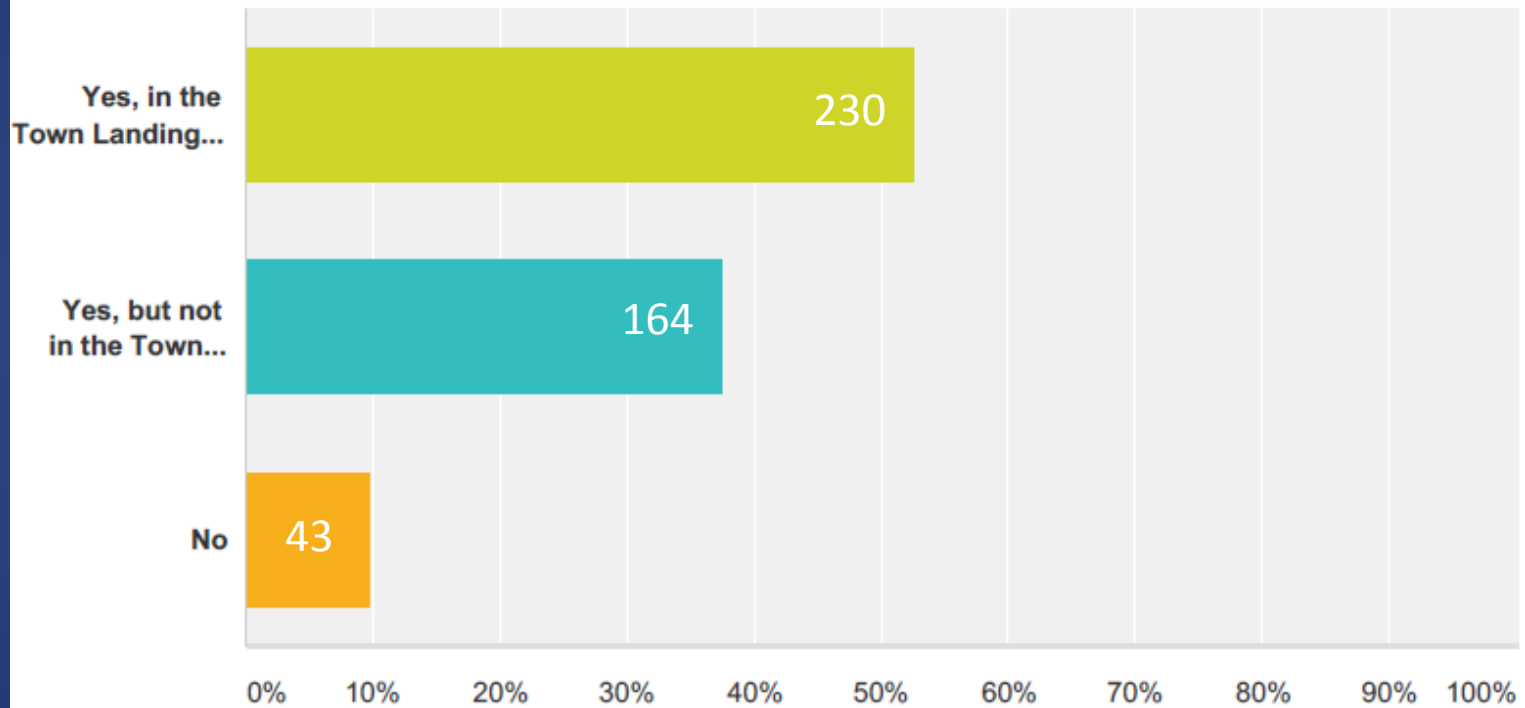

On-Line Survey

- Public input on questions
- Wide notification
- Jan. 12- Feb. 5, 2017
- 439 responses
- Survey report(s) posted
- E-mail feedback

Draft Take Aways from Survey

- Retain entire 260 Foreside Road parcel and integrate it with Underwood Park
- Create some parking on the site:
 - 10-12 spaces
 - Gravel or grass surface
 - Cars only, no trailers
 - No overnight parking, but no other time limitations

Draft Take Aways from Survey

- At Underwood Park:
 - Reconfigure parking circulation, which may also result in a few extra spaces
 - Improve existing play equipment
- At site or at Underwood Park:
 - Install a gazebo or platform for small events
 - Install Dog waste bag dispensers
