Dear Ellen:

I am pleased to introduce, in accordance with Article II, Section 213 of the Town Charter, language relative to proposed amendments to the Zoning and Site Plan Review Ordinance. The purpose of these amendments is to allow some flexibility for the siting and replacement of utility infrastructure.

A summary of the amendment language is attached to this letter.

I hereby request that you place this item on the next available agenda for a public hearing and that you properly post notices and advertise for a public hearing as required by the Charter.

Sincerely yours,
