Letter of Intent for New Food Establishment

I, Dora Garza and my husband, Rodolfo Garza, both professional Food Scientists, intend to start a small business venture to prepare food products at our home address 84 Foulmouth Rd.

The Maine Department of Agriculture Conservation and Forestry, Division of Quality Assurance and Regulations has granted a Home Processor license No. 2-31670.

We intend to start very small scale manufacture of food concepts that focus on Nutritionally Balances Bars, and Spice Blends.

Hope that the Honorable Members of the Town Council of Maine grant us permission to execute this small business enterprise.

Regards,

Dora M. Garza
