

WE'RE ON A ROLL

Town of Falmouth, say hello to your new recycling & trash carts!

AUTOMATED COLLECTION IS IN EFFECT.

Falmouth's waste hauling service, Casella, has transitioned to automated collection which requires use of Town-owned trash and recycling carts along its routes. New carts have been delivered to Falmouth residences. Begin using your new carts upon receipt. **Some routes have changed. Find the new collection schedule below.**

Backdown Roads—Driver cannot turn around and must back down narrow or dead end roads. The automated collection arm is located on the passenger side of the truck.

* All carts must be placed on the right side of the road—that is the driver's right/passenger side as the truck backs down the street or your right as you exit your street.

+ Driver will drive in to end of road, then back out. All carts must be placed on the left side of the road—that is the driver's right/passenger side as the truck backs down the street or your left as you exit your street.

Scan the QR Code to learn more, visit us at www.falmouthme.org, or call 207-781-3919.

Watch for a packet of information attached to your carts upon delivery with info on placement and other frequently asked questions.
