NOTES TO USERS

The Flood Insurance Rate Map (FIRM) is drawn to planning standards established by the Federal Emergency Management Agency (FEMA) and is subject to change. This map is not intended for engineering or legal purposes. The data presented on the map was derived from Multiple Source Information System (MeGIS) and is intended to provide a preliminary overview of flood hazards in a community. This map is preliminary and all FIRM panels must be reviewed for accuracy. Prior to final use, panels should be reviewed for accuracy and any corrections made. This information is subject to change; any questions should be directed to your local insurance agent, FEMA, or other government-sponsored agency. To determine if flood insurance is available in this community, contact your insurance agent or call the National Flood Insurance Program at 1-800-638-6620.

For information and questions about this Flood Insurance Rate Map (FIRM), available products associated with this FIRM, including historic versions, the current map date for each FIRM panel, how to order issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map, please call the FEMA Flood Insurance Program at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA Flood Insurance Program website at http://msc.fema.gov. Available products may include previously issued Letters of Map Change, a Flood Insurance Study Report, and/or digital versions of this map.

For community and countywide map dates refer to the Flood Insurance Study Report for this jurisdiction. Communities annexing land on adjacent FIRM panels must obtain a current copy of the adjacent panel as well as any updated products. Many of these products can be ordered or obtained directly from the Flood Map Service Center at the number listed above. For information on ordering, please call the FEMA Map Information eXchange at 1-877-FEMA-MAP (1-877-336-2627) or visit the FEMA Flood Insurance Program website at http://msc.fema.gov. This information was derived from MeGIS, dated 2012.
